April 2019

March has come and gone, and it leaves behind the SPRINGTIME in Arkansas! We're excited about April's upcoming activities. Look inside for the calendar, to see what you want to participate in. There are some fun events coming at UCA, including two great Public Appearance shows, and a Conway Symphony. We've also got some big parties with UCA students planned. And to top it all off, Easter Sunday isn't far away! Mark your schedules and get yourself active for spring. This edition of the newsletter shows a bunch of the fun things we've been up to. Our NITE OUT at Cactus Jacks, the wild St. Patrick's Day party, and the great Jazz band in the lobby! Also, our March Madness Bean Bag Pitchin' champs -- Pete and John. A special photo section is inside this newsletter too, of the great bingo game that Professor Jones's class hosted. That was a blast, and the pictures show it! Thanks for playing along with us!

Bingo Champion!

 **The February Bingo CHAMP is Wayne Holt! Wayne had 5 winners in the month, including 4 in one day!**

That's a hot streak, Wayne!
